

Arizona's Magnificent Trees

Tree owner Assistance Program

Arizona's Magnificent Trees Program recognizes trees that are the largest of their species (Champion Trees), trees that have cultural or historical significance (Heritage Trees), and trees that have been verified to have witnessed Arizona's statehood (Witness Trees). The **Tree Owner Assistance Program** supports the owners of these State treasures with guidance and technical assistance from Certified Arborists and financial assistance when necessary. If approved, Tree Owners may be eligible for up to \$1000 in assistance.

Tree owners interested in the program should complete this form and send to the Magnificent Trees Coordinator via email at ucf@dffm.az.gov or at the mailing address below
