ITEM #1 Discussion Items

- **Discussion & Proposed Revision/Clarification to Committee By-Laws or the SOG 804:**
- **SOG 804 Revisions/Updates:** (1) The Region 3 GATR sent an email late in January with an update regarding the Transition of the OPBD position to an OPBD Complex position. Per that update The NWCG Executive Board (EB) approved two paths for OPBD to transition to OPBD Complex.

The EB asked that, if applicable, task statements from the soon to be created OPBD PTB be added to the OSCC PTB so DIVS/OPS3 going direct to OSCC would have exposure to OPBD duties/responsibilities. If this occurs, there will not be a combined OSCC/OPBD PTB, just additional tasks in the OSCC PTB. We will continue to keep track of the Transition of the OPBD position and post updates as they occur. (2) The committee had a discussion about accepting or not accepting task book evaluations from an evaluator working for a contractor company during an incident. Several questions and considerations were addressed. In the end the committee requested to have specific direction re: contractor evaluations included in the next revision of the Policy 804. The Training Specialist will include the requested direction in the next revision. If the next revision is not projected to be reviewed in a timely manner for the committee, the training specialist will seek a policy addendum. (3) Other than transfer files, the State Qualification Committee does not accept requests for Faller 2 or Single Recourse Boss (trainee or qualified) without District Committee approval.

- **Committee By-Laws Revision:** No revisions or discussion regarding the committee by-laws during this meeting.
- **Committee Membership:** Jake Guadiana, the DFFM Safety Officer and our committee Chainsaw Representative, resigned from DFFM early in January. Jeff Gallivan has been updating the DFFM Chainsaw policy and will stand in as the Committee Chainsaw Representative until a new Safety Officer is hired. A1S District Committee Member Jayson Coil is no longer active with the State Qualifications Review Committee. Jayson served on the Committee

as far back as Committee Meeting Minutes go (2006); he was one of the original members. His activity with this committee is certainly missed. There is now officially a vacancy on the State Committee in the A1S (Northern) District. Please email Rick Miller if you are interested in becoming a Committee member to represent the A1S District. A5S District Committee Member, Todd Abel, accepted a position with DFFM and is no longer working for Central Arizona Fire & Medical and will no longer be a representative for A5S on the State Committee. Todd has been a member of the committee since July 2015. His input has always been appreciated. There is a vacancy for an A5S representative. Please email Russ Shumate if you are interested in becoming a Committee member to represent the A5S District. If anyone needs information re: the requirements to fill a State Committee slot please contact Susan Burger.

- **IMT to CIMT Transition:** DFFM is following the NWCG and SWCG guidelines for the transition into the CIMT qualifications. Committee review is not required for technical updates. Committee review will continue for approving new positions. For example, no committee review is required for a person to switch from a current Type 2 trainee to a CIM trainee. When the person completes the CIM requirements, the committee will review.
- **STATE FMO Approvals:** None

Regional Priority Training Program: The Regional Priority Training Program nomination period was opened Nov 1st and closed on Nov 30th. The list for the Regional Priority Trainee Program can be viewed on the SWCC website https://gacc.nifc.gov/swcc/management_admin/training/Priority_Trainee_Program/ptp.htm.

DFFM Priority Training Program: The DFFM Priority Training Program nomination period will open on March 30th and will close on March 29th. The list will be forwarded to ADC and posted on the DFFM website by April 12th

The Committee Recommends completing S-219 and S-260 Courses for the Single Resource Boss/ICT4 Level firefighters. The "Other Training Which Supports Development of Knowledge and Skills" for each position, as outlined in the 310-1, is recommended for the development of knowledge and skills.
