
NFIRS Quarterly Report

July 1, 2021 –
September 30, 2021

Reported by **Stephanie Fournier**
OSFM Fire Training Coordinator
NFIRS AZ State Program Manager

Summation:

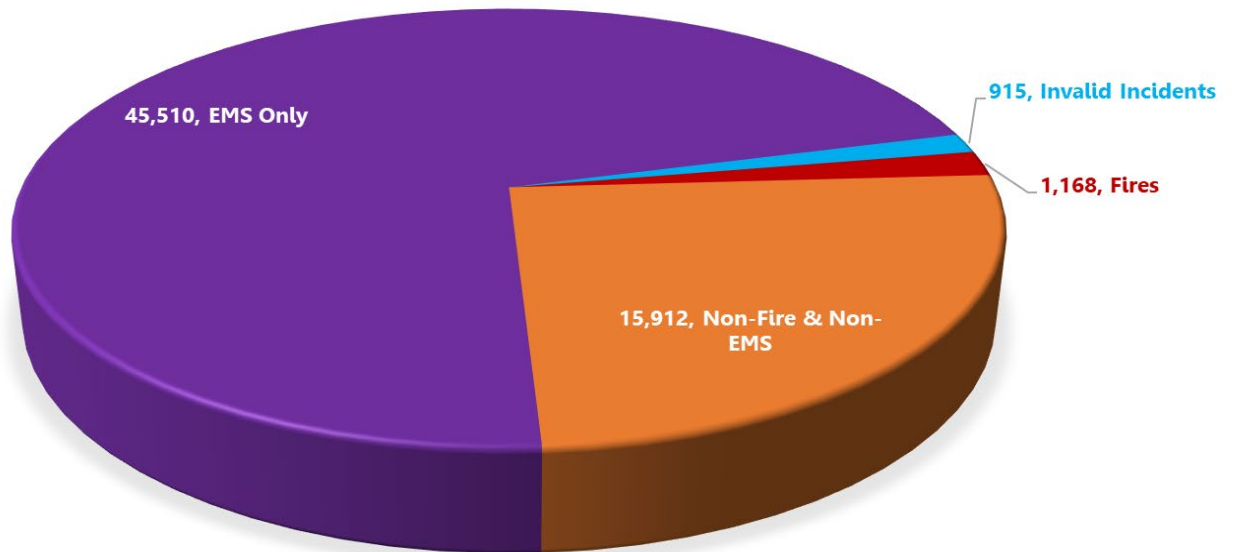

During the 3 three-month period of July through September of 2021, 62 fire departments/districts out of the 167 registered NFIRS units reported data. Among the reported units, 62,590 incidents were reported. Among those reported incidents, categories included:

- Fires: 1,168
- Non-fire and non-EMS incidents: 15,912
- EMS only incidents: 45,510
- Invalid incidents: 915

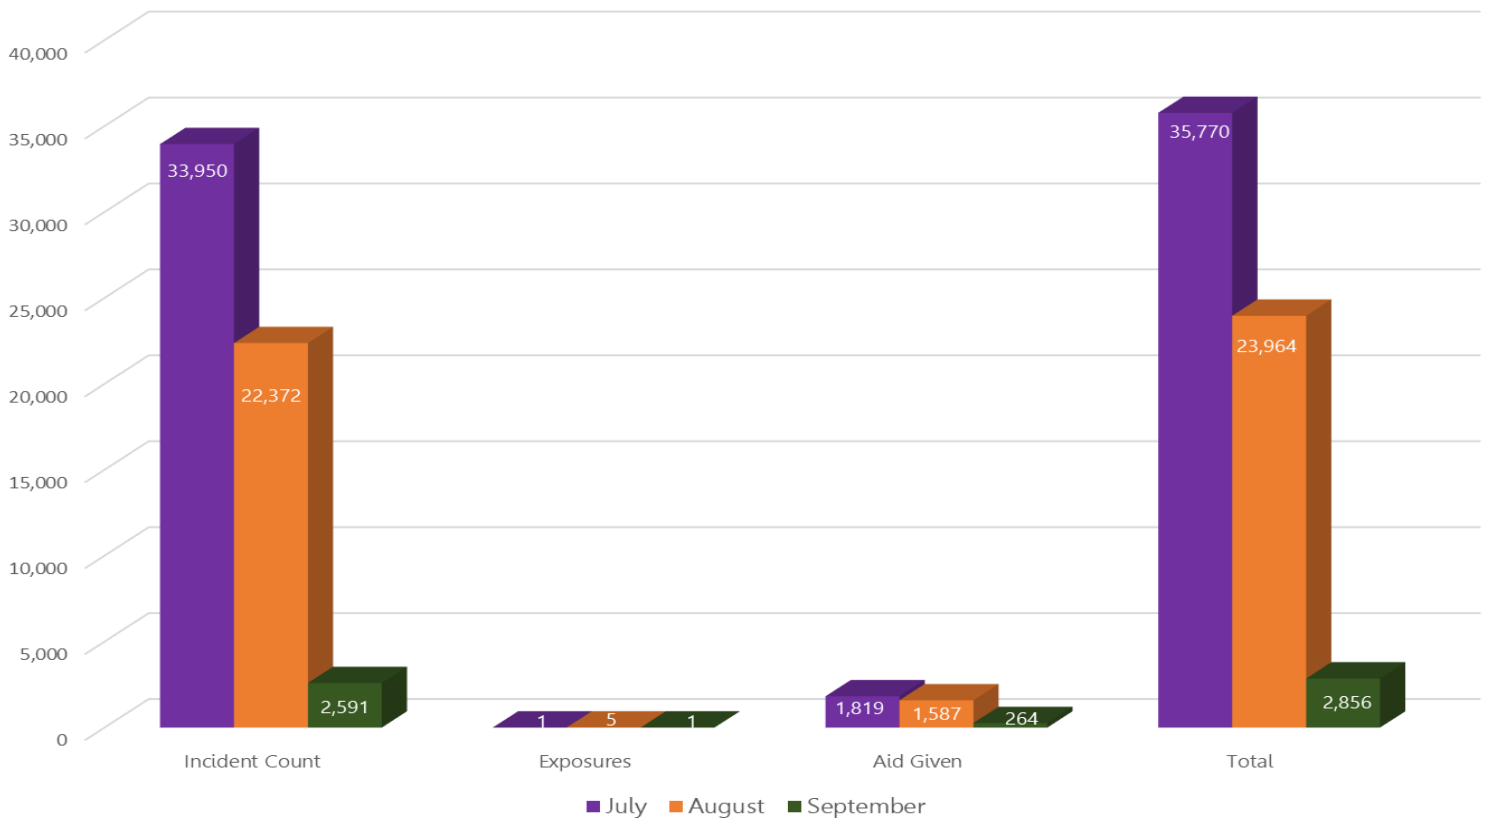

Additional information collected during this time include the correlation of those departments/districts who received AZ Fire Inc. Premium Tax Refunds and the use of NFIRS, mutual aid participation, established CRR programming and those departments/districts who are interested in pursuing and/or continuing CRR programming. The following pages will outline each of these data points. Additionally, a monthly incident count for January through September 2021 listed by FDID is provided at the end of this report.
