# Arizona Department of Forestry and Fire Management Radio Communications Notice

**Date:**

24. April 2020

**Notice Number:**

20-001

**Subject:**

**2020 DFFM Radio Plan**

The DFFM has published a 2020 Radio Communications Guide. Due to situations surrounding Covid, the DFFM determined that there would be no changes to the plan from 2019 with the exception of a modification for our Group 13 that is specific for the SE District areas of the DFFM. Please see Radio Communications Notice (RCN) Notice Number 20-002 for further information about the specific changes for Group 13. The changes for this group can also be found within the 2020 DFFM Comm guide – Group13 Mod.
