

2018 Wildfire Equipment Program Ordering Instructions

To minimize the potential for transposing the National Stock Numbers (NSN) when typing on the order form, use the **4 digit NFES #** (National Fire Equipment System) found in the item description in this catalog.

Type this number into the first column, below the Example, and “tab” over to “Quantity”.

Enter “quantity” and once completed, the rest of the information will “auto fill” and carry a running total at the bottom of both pages 1 and 2.

PRICES ARE SUBJECT TO CHANGE!
